# Check the source, page by page

AIXiamo | PDF reading check | synthetic data

Marker: PDF-CHECK-P1

This document has three physical pages.

Printed page labels are A-01, A-02 and A-03.

Table 1 is on physical page 2; the footnote is on page 3.

Synthetic fixture: all amounts and records are invented.

The text-layer and image-only versions show the same content.

This is not a live ChatGPT test or a model accuracy score.

# Table 1 - synthetic amounts

AIXiamo | PDF reading check | synthetic data

Marker: PDF-CHECK-P2

Currency: CNY

| Record ID | Amount (CNY) |
|-----------|--------------|
| A         | 12.30        |
| B         | 45.60        |
| C         | 7.89         |
| TOTAL     | 65.79        |

Read the headers, unit, all three data rows and total.  
Check the footnote on physical page 3 before using the result.

---

# Footnote and final-page check

AIXiamo | PDF reading check | synthetic data

Marker: PDF-CHECK-P3

Amounts exclude tax. Table 1 has 3 data rows.

Calculation:  $12.30 + 45.60 + 7.89 = 65.79$  CNY.

Use this final-page note to check coverage.

A plausible total alone does not verify the whole document.
